PERSONAL SKILLS

Videography and Editing

- High quality video and documentary creation, including interviews with Constructive Institute CEO & Founder [Ulrik Haagerup](#) and Fellowship Program Director [Orla Borg](#).
- Have and use professional DSLR cameras, lighting and sound equipment to capture high quality content.
- Adaptable, having shot a wide variety of subjects and events including pieces to camera and keynote speeches.

Content Creation

- Proficiency in Adobe creative application suite, particularly Adobe Premiere Pro.
- Knowledge of social media platforms (Instagram, X, Facebook, TikTok, Youtube).

Writing

- Developed news, feature and copy writing skills throughout my Journalism and Screen Production majors.
- Winner of The Junction's Constructive Journalism competition for my feature piece on Australia's 'gas-fired recovery', receiving a "prestigious" international fellowship at the Constructive Institute in Aarhus, Denmark.
- Constructive Journalism Fellowship improved my ability to write with intent - nuanced, solutions focused material that engages audiences.
